2026 STATE OF THE PORT LUNCHEON
FEBRUARY 26, 2026

**INTERNATIONAL
PROPELLER CLUB**
PORT OF JACKSONVILLE

To our valued partners,

We're thrilled to announce that the 2026 State of the Port Luncheon is set for February 26, 2026 and it's already shaping up to be the premier maritime and logistics event of the year! Last year, we sold out with more than 600 industry professionals, elected officials, JAXPORT executives, and even the Mayor, all gathered in one room to celebrate Jacksonville's growth and the exciting future of our port community. The energy, collaboration, and connections were unmatched. This year, we're raising the bar, and it's your chance to take center stage.

Why Sponsor?

- Showcase your business to key decision-makers shaping the future of Northeast Florida's maritime and logistics industries.
- Gain visibility at an event that drives innovation, partnerships, and economic impact across the region.
- Support transformative initiatives, from scholarships for future industry leaders at Keiser University and the University of North Florida, to empowering underprivileged youth through AMIkids Jacksonville.

Looking Back at 2025

From a powerhouse lineup of speakers highlighting bold investments in Jacksonville's port growth to engaging conversations about trade, workforce, and community impact, last year's State of the Port Luncheon proved what's possible when our industry comes together with purpose and pride.

Proceeds from this event will once again support the Club's charitable giving initiatives, including AMIkids Jacksonville and scholarship funds for local students pursuing careers in transportation and logistics.

With your partnership, we'll continue to strengthen the future of Jacksonville's maritime industry—one connection at a time.
